

Special book offer:

Now only CHF 75.- / € 50.-
(Postage & handling included)

Normal bookshop price: £ 68.- / € 111.- / CHF 165.-

RDS: The Radio Data System

Dietmar Kopitz, Bev Marks

This book provides easy access to information on RDS technology, specifications and implementation in one authoritative reference. The authors - key figures in the development of RDS and RDS-TMC technology - provide a systematic survey of the background, techniques, capabilities and limits of these systems.
